Summary

To secure a position in the Procurement Department of a reputable organization, where I can apply my skills in sourcing, vendor coordination, and strategic planning. I aim to contribute to the company's success while continuously developing my professional abilities.

Educational Qualification

- Bachelor of Technology (ECE), at Kallam Haranadhareddy Institute of Technology (2020-2024)
- Board of Intermediate, at NRI Junior College (2018-2020)
- SSC, at GKR Public School (2017-2018)

Strengths

- Ability to plan well and handle complex tasks simultaneously and independently.
- Strong written and verbal communication skills.
- Interpersonal skills with the ability to build and maintain professional relationships.
- Demonstrated effective leadership, communication and problem-solving abilities

Technical Skills

- Good understanding of sourcing and vendor relationship management
- Good knowledge of procurement and supply chain process
- Skilled in Microsoft Office (Excel, Word, PowerPoint) for data reporting and documentation
- Proficient in using Zoho Books for purchase order tracking, invoice processing, and inventory management
- Capable of analyzing and organizing large data sets to support cost analysis.
- Basic proficiency in SQL for data querying and analysis

Achievements

- **GATE 2024:** Qualified with a score of 385.
- Secured Second Place in the College Project Expo

Professional Experience

- Procurement Executive, **Phone Pe Limited** (Nov 2025 - Present)

Roles and Responsibilities

- End-to-End Procurement: Managed the full PR to PO (Purchase Requisition to Purchase Order) lifecycle, ensuring all quotations and payment documents were processed accurately.
- Vendor Management: Coordinated the onboarding of new suppliers and maintained all required legal and tax documentation to ensure compliance.
- Cost Optimization: Negotiated pricing and delivery terms with vendors to support company cost-saving initiatives and budget goals.
- Reporting & Communication: Prepared and shared regular cost-reduction reports with internal teams and stakeholders to track procurement performance.

- Trainee Engineer (SCM), **Insight Technologies Private Limited** (Apr 2025 – Nov 2025)

Roles and Responsibilities

- Coordinate with vendors and suppliers for onboarding and collection of required documentation
- Manage procurement records, including agreements, quotations, purchase orders, and payment documents
- Negotiate pricing and delivery terms to support cost-saving initiatives

- Prepare purchase orders based on order requirements and coordinating with suppliers to ensure timely delivery of materials
 - Preparing cost-saving reports to identify and track cost reduction opportunities
- Junior Production Control Coordinator (PCC), **YAA Apparels Private Limited** (Nov 2024 – Mar 2025)

Roles and Responsibilities

- Created and maintained Daily Progress Reports (DPR) to track operational performance.
- Generated purchase orders based on merchant specifications and issued sales invoices to ensure accurate billing.
- Ensured goods were properly packed and dispatched in compliance with company standards and delivery schedules.
- Coordinated timely shipment deliveries to brands, ensuring accurate inward processing within set deadlines.
- Assisted in vendor coordination throughout procurement processes to support timely sourcing and order fulfilment.
- Maintained accurate records to facilitate smooth and efficient supply chain operations.

Personal Information
